

WORLD SOCIAL FORUM 2009

Belem – Brazil - Amazonia
27 January / 1 February 2009

January 31st, 12am – UFPA Professional / Bp08

Our Common Earth 2009 – Terra Futura

Presenting the international fair-event Terra Futura in Italy – with a debate on how to transform the global financial crisis and shift towards a new economy that ensures universal and sustainable access to the common goods of humanity and nature, particularly water, forests and renewable energy sources.

Terra Futura addresses how solidarity economy and sustainability and their good practices can be concretely demonstrated to the general public, local governments and policy makers, responsible businesses and producers, bringing them together. The connection with the World Social Forum and possible forms of collaboration with Terra Futura will also be addressed.

Speakers:

Paolo Beni, president of ARCI

Soana Tortora, solidarity economy coordinator of ACLI

Paolo Beccegato, international area coordinator of Caritas

Jason Nardi, Fondazione culturale responsabilità etica

Maurizio Gubbiotti, secretariat of Legambiente

Moema Miranda, coordinator of IBASE

Carola Reintjes*, chair of IFAT Europe

Terra Futura is promoted by Fondazione culturale responsabilità etica, ARCI ACLI CISL Caritas Fiera delle Utopie Concrete, in cooperation with the Region of Tuscany
